*Hello Friends,*

It is with pleasure that I take over as editor/designer of the Gryphon newsletter! I am excited to have this opportunity to be a part of the worldwide community of Bairds.

Starting in October, you will see some changes in the newsletter that I hope will reflect what "Clan Baird Society Worldwide" is really about. I have over 23 years experience in graphic design, so

you will see a new fresh look to the newsletter, similar to what you see here. You will continue to read articles from the president, be informed about the latest highland events, festivals and Scottish games. There will be interesting information about the history and genealogy about Clan Baird, financial updates from our treasurer, and continued information on the Clan Baird Society Scholarship Fund. There will be reports from the Annual General Meeting of the Baird Clan, and of course, articles contributed by our own members.

I encourage everyone to be a part of this newsletter. Even though this is a "worldwide" organization, I'd like to think of this newsletter as a "family" newsletter. Bringing us all closer together through our family

heritage. Following is a partial list of ideas of things you could submit to the newsletter:

- A special Scottish family recipe that you would like to share.
- Photos of highland games or Scottish festivals you have attended.
- Photos and article of your trip to Scotland
- Book reviews
- Scottish music or poetry that you enjoy and would like to share.
- Any "Baird" related information that you would like to share.

Please email me at [hsnyder65@yahoo.com](mailto:hsnyder65@yahoo.com), or use the information in the side bar to the left to send me your articles. The newsletter will still come out quarterly, giving everyone plenty of time get articles in by the deadline. If you have any questions, please call me at 802-485-5541, I'd be happy to talk to you about your submission.

I look forward to hearing from you and being part of the worldwide family of Bairds!

-Heather Snyder
